

**International Summer Workshop on Human Sensibility**  
**20 – 30 September 2005, Kyushu University**

- 20 Sep 10:00 – 12:00 Registration  
13:00 – 13:30 Opening Ceremony  
13:30 – 15:00 Invited Lecture 1  
“Physiological Evaluation of Human Sensibility”  
Prof. Jin-Hun Sohn (Chungnam National University)  
15:15 – 16:45 Invited Lecture 2  
“Neurophysiological and Psychological Data on the Perception of Lexical  
Tones: Are There Two Different Types of Pitch Processing in the Brain?”  
Prof. Valter Ciocca (University of Hong Kong)  
18:00 – 20:00 Welcome Party
- 21 Sep 9:00 – 10:30 Auditory organization (Prof. Nakajima)  
10:45 – 12:15 Speech perception (Dr. Goodacre)  
13:15 – 16:00 Methods of subjective evaluation (Profs. Ueda and Nakajima)
- 22 Sep 9:00 – 10:30 Noise environmental design in urban areas (Prof. Fujiwara)  
10:45 – 12:15 Acoustic design in enclosed spaces (Assoc. Prof. Omoto)  
13:15 – 14:45 Sound design (Prof. Iwamiya)  
15:00 – 16:30 Design with interactive evolutionary computation (Assoc. Prof. Takagi)
- 23 Sep Excursion  
24 Sep Free  
25 Sep Free  
26 Sep 9:00 – 10:30 Physiological responses induced by pleasant and unpleasant stimuli  
(Prof. Watanuki)  
10:45 – 12:15 Non-visual effects of light on human beings (Prof. Yasukouchi)  
13:15 – 14:45 Ergonomics in thermal environments (Prof. Tochihara)  
15:00 – 16:30 Mini workshop in Research Center for Human Environmental Adaptation
- 27 Sep 9:00 – 10:30 Integration of sensory information in the central nervous system  
(Prof. Yoshimura)  
10:45 – 12:15 Measurement of EEGs and autonomic nerve functions (Prof. Tobimatsu)  
13:15 – 14:45 Introduction to auditory evoked potentials (Prof. Shiraishi)  
15:00 – 16:30 (undecided)
- 28 Sep 9:00 – 10:30 Visual direction and the cyclopean eye (Prof. Nakamizo)  
10:45 – 12:15 Visual illusions (Assoc. Prof. Ito)  
13:15 – 16:00 Measurements of color (Prof. Yamashita)
- 29 Sep 9:00 – 10:30 Urban space design (Prof. Ishida)  
10:45 – 12:15 Design methods for urban environmental installations (Prof. Morita)  
13:15 – 16:00 Personal construct theory and the Evaluation Grid Method (Assoc. Prof. Oi)
- 30 Sep 9:00 – 10:30 Computer image creation (Prof. Genda)  
10:45 – 12:15 Tour of KANSEI Center for Arts and Design  
12:30 – 13:30 Farewell Lunch
