adth	Course Specialized Subjects in other courses Course Exercises Subjects in other courses (PBL)					7									

^{*1} \odot indicates a required subject, \circ indicates a required elective, and a blank space indicates an elective.

^{*2} The table above shows the minimum number of credits to acquire for each subject category and designated subject group. Please follow the instructions in the course guidance.

^{*3} The semester/quarter in which the subject is offered is subject to change, including intensive subjects.

^{*4 (♠)} in the "Remarks" column indicates subjects that are common to some courses.

^{*5} The credits for "Course Specialized Subjects" and "Course Exercises Subjects (PBL)" in the "Depth and Breadth Electives" category are the sum of the credits for subjects taken more than the graduation requirements for each subject category of the course the student belongs.
