<sup>(※1)</sup> The schedule and class room of intensive courses will be posted on the bulletin board of the Academic Affairs Section of the Graduate School of Design. Please check the bulletin board frequently.

<sup>(※2)</sup> Students who enrolled in AY 2021 or earlier should check "List of Subject Substitutions" first. Then, take the subjects for students who enrolled after AY 2022 corresponding to your subject. In case of the number of credits differs, check the syllabus and the Moodle for the missing credit assignments.

Also, students who wish to take the subject which is no substitution and need individual support, register the subject after consulting with the teaching staffs.

<sup>(※3)</sup> The schedule of "Internships" must be arranged upon consultation with your supervisor and the company. For students who enrolled in AY 2021 or earlier; in case those who engage 30 to 60 hours of internship, take eitherr "internship I" or "internship I".

<sup>(</sup>¾4) The main purpose of "Special research on design I ~IV", "Design Practice", "Seminar I, II" (each courses) and "Design Strategy Project A·B" are the instruction of rsearch and production. As for the classs schedule, please consult with the teaching staffs.

(※5) Regarding registration of "Human Science Seminar II", acquisition of credits of "Human Science Seminar I" is required.

Also, basically, "Human Science Seminar I" in the second semester of the first year of the master's course, and "Human Science Seminar I" in the second semester of the second year of the master's course. Only those students who wish to complete the master's course early may register in the "Human Science Seminar I" in the second semester of the first year or the first semester of the second year of the master's course.

(※6) If you wish to enroll in programs such as HME,GAP,CLP, please ask the Academic Affairs Section.

<sup>(※7)</sup> QBS courses are not listed in the Syllabus System. If you need the syllabus, please ask the Academic Affairs Section.

The subjects for the doctoral program(the enrollment after 2022)

# 1)Academic Writing Subjects(The main purpose of these subjects is the courching research. As for the the class schedule, please consult with the teaching staffs.)

《Department of Design》

Professional Research Training I	2houres/week	All staffs of this course
Professional Research Training II	2houres/week	All staffs of this course

#### 2)Directed Research Subjects(The main purpose of these subjects is the courching research. As for the the class schedule, please consult with the teaching staffs.) 《Department of Design》

(Department of Design)		
Research Project I	2houres/week	All staffs of this course
Research Project II (After 2nd year)	2houres/week	All staffs of this course
Research Project III(After 3rd year)	2houres/week	All staffs of this course

### The subjects for the doctoral program(the enrollment before 2021)

1)The common subjects for master program and doctoral program

### 《Department of Design all courses》

**Human Science Course** 

Advanced Environment and Heritage Design Seminar III

Advanced HS Training

(1) It is acceptable to register the subjects of Human Science Course, Communication Design Science Course, Environment and Heritage Design Course and Content and Creative Design Course

except for "Seminor I • II" of each courses and "Architectural Design Internship" of Environmental and Heritage Design Course.

(2) Students who enrolled in 2021 or earlier should check "the List of Replacement Subjects" first. Then, take the subjects for students who enrolled after 2022 corresponding to your subject. In case of the number of credits differs, check the syllabus and the Moodle for the missing credit assignments.

Also, students who wish to take the subject which is no substitution and is required individual handling, register the subject after consulting with the teaching staffs.

## (3) It is not acceptable to register the subjects that you have already earned credits during master program.

《Department of Design Strategy》

(1) It is acceptable to register the subjects for Department of Design Strategy except for "Strategic Architecture Project B", Strategic Experience Project B", "Internship" and "Design Strategy ProjectA B".

All staffs of this course

Communication Design Science Course

Advanced Communication Design Science Training

(2) Students who enrolled in 2021 or earlier should check "the List of Replacement Subjects" first. Then, take the subjects for students who enrolled in 2022 corresponding to your subject. In case of the number of credits differs, check the syllabus and the Moodle for the missing credit assignments.

Also, students who wish to take the subject which is no substitution and is required individual handling, register the subject after consulting with the teaching staffs.

All staffs of this course

2houres/week

(3) It is not acceptable to register the subjects that you have already earned credits during master program.

(4) If your supervisor accept, you can register the subjects (up to 2 credits) of another courses at doctoral program.

2houres/week

2)The unique subjects for doctoral program(The main purpose of these subjects is the courching research. As for the the class schedule, please consult with the teaching staffs.)
