The subjects for the doctoral program(the enrollment after 2022)

1)Academic Writing Subjects(The main purpose of these subjects is the courching research . As for the the class schedule, please consult with the teaching staffs.)

《Department of Design》

Professional Research Training I	2hours/week	All staffs of this course
Professional Research Training II	2hours/week	All staffs of this course

2)Directed Research Subjects(The main purpose of these subjects is the courching research . As for the the class schedule, please consult with the teaching staffs.)

《Department of Design》

Research Project I	2hours/week	All staffs of this course
Research Project II (After 2nd year)	2hours/week	All staffs of this course
Research Project III (After 3rd year)	2hours/week	All staffs of this course

The subjects for the doctoral program(the enrollment before 2021)

1)The common subjects for master program and doctoral program

《Department of Design all courses》

(1) It is acceptable to register the subjects of Human Science Course, Communication Design Science Course, Environment and Heritage Design Course and Content and Creative Design Course except for "Seminar I・II" of each courses and "Architectural Design Internship" of Environmental and Heritage Design Course.

(2) Students who enrolled in 2021 or earlier should check "the List of Replacement Subjects" first. Then, take the subjects for students who enrolled after 2022 corresponding to your subject.

In case of the number of credits differs, check the syllabus and the Moodle for the missing credit assignments.

Also, students who wish to take the subject which is no substitution and is required individual handling, register the subject after consulting with the teaching staffs.

(3) It is not acceptable to register the subjects that you have already earned credits during master program.
